

Warranty Plan & PM

O2 Concentrator PM Kit & 3-Year Warranty Plan

After **10,000 hours / 2 years** (whichever is sooner).

Whenever the "Service Concentrator Soon" alarm activates, the Oxygen Concentrator Zeolite Bed is nearing the end of its optimal service life, and should be replaced when possible* (Applies to Leo Duo configuration that includes an internal O2 Concentrator.)

*Replacement at factory certified service center only.

The 3-year extended warranty provides coverage for each of the key components (BPAP, oxygen concentrator) for **20,000 hours / 3 years** (whichever is sooner).

Includes all software updates and Preventive Maintenance scheduled for 10,000 and 20,000 hours. The extended warranty does not include accessories, air and fan filters, or shipping. Priority service guaranteed within ten business days.

**Warranty will be reset to day 1 after service completed.

The 3-Year warranty & PM Kit includes:

- Blower (if needed)
- AC & DC fan (if needed)
- Zeolite O2 Generating Towers
- Tubing & One-Way Valve
- Bacteria Filter
- Inspiratory Module
- Compressor (if needed)
- Air Inlet Filter
- Inlet Foam Filter

**Service/Replacement at factory certified service center only.
